Dear Mike:

Your web site has been selected as an "Editor's Choice" Award winner by the Real Estate Software Catalog.

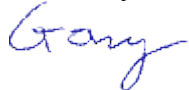

This award is absolutely free and there is no obligation of any kind. It has been given in recognition of your site's exemplary contribution to the real estate industry.

Less than 5% of all sites we review are selected to receive this respected award. It is based on site design, content, relevance, and overall contribution to our field.

This honor is given only to the very best real estate sites. Your visitors will be rightfully impressed to see it displayed on your site.

Once again, congratulations!

Sincerely,

Gary L. Sherman
